

- The following investment-linked funds are offered under the investment-linked assurance scheme ("ILAS policy") issued by Sun Life Hong Kong Limited ("the Company"). Your investments will be subject to the credit risk of the Company.
- The premiums paid by you towards the ILAS policy will become part of the assets of the Company. You do not have any rights or ownership over any of those assets. Your recourse is against the Company only.
- Your return on investments is calculated or determined by the Company with reference to the performance of the underlying funds / assets.
- The return of investments under your ILAS policy shall be subject to the charges of the scheme and may be lower than the return of the underlying funds.
- Investment involves risks and past performance is not indicative of future performance. Investment return may rise as well as fall. Currency movement and market condition may affect the value of investments.
- Emerging markets may involve a higher degree of risk than in developed markets and are usually more sensitive to price movements. Prices of the underlying funds may have higher volatility due to investment in emerging markets, financial derivatives instruments or structured instruments, and may involve a greater degree of risk than the conventional securities.
- Please do not rely on this material alone. You are advised to read the relevant offering document, and the corresponding prospectuses of the underlying funds for further details and risk factors prior to making any investment decision.
