

Tender Care Benefit

Wouldn't it be great if **you could ensure a comprehensive care for your children**

From home to school, from the playground to the soccer field, kids just can't sit still. No matter what precautions you take, accidents can and do happen – day or night.

This is where Sun Life steps in – your trusted partner for life's journey and achieving life's dreams. By adding the **Tender Care Benefit**, an optional rider benefit of Sun Life insurance plan[^], you can be prepared for unexpected expenses and get the best possible care for your children if they are injured in an accident.

[^] This rider benefit can only be attached to designated basic plans ("Basic Plans"). Please contact your Advisor for details.

Seeks quality treatment without worrying about expenses

This rider Benefit reimburses medical expenses incurred by injuries of the insured, who is the child protected under the Basic Plan, due to an accident. This also covers treatments provided by a Chinese herbalist or bonesetter.

Special benefit to help your children recover

If the insured is hospitalized after an accident, you will receive a special allowance to spend on anything which helps the insured's recovery such as health supplements, your transportation costs between home and hospital, or even a toy to cheer him/her up.

Pays for the additional expenses in the unfortunate event of death or dismemberment

We will pay out a cash lump-sum upon the tragic death or loss of a limb or sight of the insured.

Double Indemnity Benefit on traffic accident

If the insured is a passenger in a school bus or other public transport conveyance when an accident occurs, the amount of the Accidental Injury Benefit will be doubled.

Key Product Risks:

1. Premium of this rider benefit is not expected to increase with age but may be reviewed and adjusted from time to time, in order to reflect the experience and change in future expectation. We reserve the right to adjust the premium for any group of insureds with similar risk profiles at every benefit anniversary during the premium payment term. Factors include but not limited to the following would be considered and reflected during the review:
 - a. Claim costs incurred under this rider benefit and the expected claim costs in the future
 - b. Expenses directly related to and indirect expenses allocated to the rider benefit
2. We will renew this rider benefit automatically at each benefit anniversary for another benefit year provided that premiums are paid on the premium due date. If you do not pay a premium on or before the premium due date, a grace period of 31 days from its due date will be allowed for the payment, during which time this rider benefit will continue in effect. If a premium has not been paid to us by the date on which the grace period expires, the rider benefit will lapse automatically on the due date.
3. This rider benefit is not guaranteed renewable, and we may discontinue this rider benefit on a 30-day written notice to you.

 - e. the date on which an aggregate amount equal to 100% of the Sum Assured is payable by us as one or more claims under the Accidental Injury Benefit.
5. Any transaction involving conversion between policy currency and other currencies would be exposed to foreign exchange risks such as the fluctuation in exchange rate against policy currency.
6. The cost of living in the future is likely to be higher than it is today due to inflation, so the benefit may be insufficient to meet your needs even if we meet our contractual obligation. You should hence consider the impact of inflation when you plan the benefit.
7. This rider benefit is an insurance policy issued by Sun Life Hong Kong Limited and your benefits are subject to the paying ability of Sun Life Hong Kong Limited.
