Note: Fulfillment ratios are for reference only, dividend/bonus history is not an indicator of future declaration/performance of the above participating products.

Remarks:

Some of the above fulfillment ratios may show "N/A" (not applicable) due to one or more of the following reasons:

No relevant policies for the respective policy year because:

- the product series was not launched yet prior to a particular calendar year; or
- no policies were issued during a particular calendar year; and/or
- no policies remain inforce by the end of the reporting year.

No annual dividends or reversionary bonuses were entitled by the relevant policies up to the respective policy year.

There were no actual payouts of terminal dividends/bonuses or special bonuses for the respective policy year because:

- no terminal dividends/bonuses or special bonuses were entitled by the relevant policies up to the respective policy year; or
- there were no terminations and/or other applicable events triggering the actual payouts of terminal dividends/bonuses or special bonuses in the reporting year for the relevant policies.
