Key Product Risks:

- Hospital Income Insurance Plan is available as basic plan or rider benefit attached to designated basic plan(s). Premium of this basic plan/rider benefit is expected to increase with age, and may be reviewed and adjusted from time to time, in order to reflect the experience and change in future expectation. We reserve the right to adjust the premium for any group of insureds with similar risk profiles at every policy anniversary/benefit anniversary during the premium payment term. Factors include but not limited to the following would be considered and reflected during the review:
 - Claim costs incurred under this basic plan/rider benefit and the expected claim costs in the future;
 - Expenses directly related to and indirect expenses allocated to the basic plan/rider benefit.
- We will renew this basic plan/rider benefit automatically at each policy anniversary/benefit anniversary for another policy year/benefit year provided that premiums are paid on the premium due date. If you do not pay a premium on or before the premium due date, a grace period of 31 days from its due date will be allowed for the payment, during which time this basic plan/rider benefit will continue in effect. If a premium has not been paid to us by the date on which the grace period expires, this basic plan/rider benefit will lapse automatically on the due date.
- This basic plan/rider benefit is not guaranteed renewable, and we may discontinue this basic plan/rider benefit on a 30-day written notice to you.
- The cost of living in the future is likely to be higher than it is today due to inflation, so the benefit may be insufficient to meet your needs even if we meet our contractual obligation. You should hence consider the impact of inflation when you plan the benefit.
- This basic plan/rider benefit is an insurance policy issued by Sun Life Hong Kong Limited and your benefits are subject to the paying ability of Sun Life Hong Kong Limited. In the event that we become insolvent and unable to meet the contractual obligation under the policy, you may lose all or part of your premiums paid and benefits.
- We have the right to terminate the basic plan/rider benefit upon the earliest of the following:
 - premium is still unpaid and the grace period expires;
 - the insured passes away;
 - the insured attains age 65;
 - (applicable to rider benefit only) the date on which the basic plan/life coverage, to which it is attached, is terminated.
 - the insured's change of residence to outside of Hong Kong permanently or for a period of 6 consecutive months or more; or
 - the date on which 1,000 Days of Confinement are payable by us as one or more claims for any one Disability.
