This is where Sun Life steps in – your trusted partner for life's journey and achieving life's dreams. With **One Year Term Plan II/Five Year Term Plan II**, you can have suitable protection during the years when you need it most.

Options to meet different needs

One Year Term Plan II/Five Year Term Plan II is a term life insurance plan offering essential life protection at an affordable premium. In addition, it is guaranteed to be renewable up to age 80, giving you peace of mind and the flexibility to allocate your money as other obligations arise.

In the unfortunate event that the insured, who is the person protected under the policy, passes away, a Death Benefit which is equal to 100% of Sum Assured will be paid to the beneficiaries in a lump-sum to support them and help them manage their future financial needs. Once the Death Benefit has been paid out, your policy will be terminated.

To meet your unique financial planning and protection needs, the term life insurance plan is also available as a rider benefit. You can attach **One Year Term Benefit/Five Year Term Benefit**, an optional rider benefit, to your Sun Life insurance plan¹ to enhance your protection.

Enhance your benefits by converting the plan into a new policy

Before you reach the age of 65, you have the option of converting all or part of the Sum Assured of your **One Year Term Plan II/Five Year Term Plan II/One Year Term Benefit/Five Year Term Benefit** into a whole-life basic plan for the same or lower Sum Assured without the need for underwriting, further health declarations or medical examinations. That way, you can join a new plan and enjoy its enhanced benefits regardless of your state of health.
