

Owner Benefit upon Death/ Owner Benefit upon Disability or Death

Wouldn't it be great if **you could shield your children when misfortune happens**

A savings and protection plan is a great way to give your children a head-start in life. However, if a tragic event were to happen to you and you are no longer able to make premium payments, you need a safety net to ensure the policy is kept in force so the financial future of your children is not affected.

This is where Sun Life steps in – your trusted partner for life's journey and achieving life's dreams. By adding the **Owner Benefit upon Death/Owner Benefit upon Disability or Death**, an optional rider benefit, to your Sun Life insurance plan¹, you can safeguard your plans and relieve the burden on your loved ones, even if life takes an unexpected turn.

Protect your children's plans even if you are no longer there to help

With **Owner Benefit upon Death/Owner Benefit upon Disability or Death**, the premium of your Basic Plan and all attached rider benefits (including this one) will be waived² as follows.

The premium will be waived if:	Rider Benefit	
	Owner Benefit upon Death	Owner Benefit upon Disability or Death
Initial Policy Owner ³ passes away	✓	✓
Initial Policy Owner ³ becomes totally disabled ⁴		✓

The premium will be waived until the child, as the insured who is the person protected under the Basic Plan, reaches 25 years of age, or the premium payment term of the Basic Plan and rider benefits (if any) comes to an end, whichever is earlier. That way, the child's savings and benefits can continue uninterrupted until he or she becomes independent.
