

## Total Disability Benefit/ Advance Payment Disability Benefit

### Wouldn't it be great if **you and your family are taken care of in the event of disability**

The financial responsibilities you take on can be a reflection of your greatest achievements, whether you are raising children or paying off a mortgage. However, such responsibilities can become out of reach in the tragic event that you become totally disabled and are no longer able to work for a living.

This is where Sun Life steps in – your trusted partner for life's journey and achieving life's dreams. **Total Disability Benefit** and **Advance Payment Disability Benefit** are optional rider benefits that you can add to your Sun Life insurance plan<sup>1</sup> for greater financial security when you need it most, giving you extra peace of mind.

### **Total Disability Benefit**

#### Lighten your financial burden while continuing to enjoy benefits under the Basic Plan

With **Total Disability Benefit**, the future premiums of the Basic Plan and all eligible rider benefits<sup>2</sup> attached will be waived in the unfortunate event that the insured, who is the person protected under the **Total Disability Benefit**, becomes Totally Disabled<sup>3</sup> before the age of 60.

The premium waiver<sup>4</sup> will continue as long as the insured remains Totally Disabled. That way, you can continue to enjoy protection and benefits under your Basic Plan without having to pay the premium while you are unable to work.

## Advance Payment Disability Benefit

### Annual advance payments to help meet your needs

You can also attach **Advance Payment Disability Benefit**<sup>5</sup> to your **Total Disability Benefit** to offset some daily expenses that may become a burden.

**Advance Payment Disability Benefit** provides annual advance payments in the unfortunate event that the insured becomes Totally Disabled before the age of 60, helping the insured to pay for medical expenses and other living costs.

As long as the insured remains Totally Disabled, you will receive the Sum Assured of **Advance Payment Disability Benefit** in a maximum of 10 equal yearly instalments. Each instalment will reduce the Sum Assured of your Basic Plan.

Before these payments are made, we will use these amounts to settle any outstanding loans against the policy and any applicable interest. The remaining amount will then be paid to you.
